Bring your

EMPLOYEES Back to the Office Safely & Easily

Welcome to the new NJ TRANSIT!

njtransit.com

NJ TRANSIT has been connecting people to their workplaces for over 40 years. We connect with other systems in the region, such as PATH, NY WATERWAY, SEPTA, PATCO and the MTA in New York City, for seamless regional travel. If your workplace is near any bus stop, train or light rail station, NJ TRANSIT would be a great option for your employees!

WHY CHOOSE NJ TRANSIT?

NJ TRANSIT IS SAFE!
NJ TRANSIT has been an industry leader in COVID protection & safety protocols – one of the first transit agencies in the country to begin disinfecting vehicles and major stations every 24 hours. Early in the pandemic, we established COVID Recovery Guidelines to ensure that NJ TRANSIT would be one of the safest public transit agencies in the nation. Visit **njtransit.com/recovery** for a comprehensive summary of all the work we've done to protect our customers and employees since the onset of the pandemic.

NJ TRANSIT IS RELIABLE!
We've hired over 1,000 new bus operators, restored our ranks of locomotive engineers for the first time in years, and enhanced service on more than 100 bus routes, leading to improved on-time performance across the board for our bus, rail and light rail services. All of this, combined with a $4 billion+ commitment to system infrastructure improvements means that your employees can rely on us like never before to get them to work and home again – safely, reliably and conveniently.

GREATER FLEXIBILITY & SAVINGS!
Employees not going into the office every day? Then our new FlexPass™ ticket option provides the flexibility for how your staff lives and works today. Visit **njtransit.com/flexpass** for more information on how this new ticket option may work for you and your employees.

Employees coming back to the office full-time? Then our discounted monthly passes provide unparalleled value and savings compared to driving, with none of the hassle of gas, tolls, or parking.

And your employees can also save up to $900 by taking advantage of commuter tax benefits! Your employees can use pre-tax dollars to buy their transit tickets. Get detailed information at **njtransit.com/taxbenefits**.

INCREASED PRODUCTIVITY!
A less-stressed worker is a more productive worker. When they take NJ TRANSIT, your employees can use their commuting time to read, catch up on work, watch a movie or just close their eyes and unplug.

HOW TO GET STARTED

To help your employees make an informed choice, NJ TRANSIT has created a brochure specifically for them, explaining the benefits and savings they can expect to realize. If you would like either printed or digital copies for distribution to your staff, please contact **welcome@njtransit.com**.

BULK TICKETS

You can ease the transition back to the office by purchasing NJ TRANSIT tickets for your employees through our Bulk Sales Program. Learn more and get started at **njtransit.com/bulksales**.

SEE FOR YOURSELF

Find out how NJ TRANSIT is investing billions of dollars to improve safety, reliability, and the overall customer experience, including new and upgraded infrastructure and vehicles, at **njtransit.com/progress**.
